

Geraldton Water Polo Player Transfer Form

For use within WA Only

A clearance must be obtained for all players who are currently registered with another Club/ Association other than the one you wish to play for in the current season. Steps to be taken with this transfer process are:

1. The player is to obtain this form from the club they wish to play with in the current season (NEW CLUB), complete the required sections below (**All sections marked * must be completed or the form will not be processed**) and then return to the club they wish to transfer to for approval.
2. The player requesting the transfer **must** first approach the Club he/she is seeking to be transferred from to obtain a signature from a Club representative. This allows the club and WPWAI to better understand the reasons as to why a player is requesting a transfer from their current club.
3. Once the new club has approved the transfer, they **must** complete the online player transfer via SportsTG and email the form to the GWPA at r.giles@wn.com.au.
4. The previous club must also approve the transfer within five (5) business days via SportsTG or the transfer will be automatically approved.
5. Once the form is returned to GWPA, the Association will notify your new club of the outcome via SportsTG.
6. A player **may not play** for their new club until the clearance is approved.

CLOSING DATE FOR ALL CLEARANCES IS 31ST DECEMBER IN THE CURRENT PLAYING SEASON
